

Happy Geek Pride Day!

Print and wear one of these buttons and share your photo with ThinkGeek on May 25 for a chance to win!

May 25 is famous for:

- The first Star Wars film, Episode IV: A New Hope, released on May 25, 1977
- Towel Day, the day two weeks after Douglas Adams passed in 2001, when hoopy froods keep their towel handy
- Glorious 25 May, the day in Terry Pratchett's Discworld when wearing lilac and hard-boiled eggs (and raising awareness around Alzheimer's research) is appropriate
