

NIXON WATCH WARRANTY

Nixon offers a limited warranty of defects in materials and workmanship for a period of two (2) years after original purchase from an authorized Nixon dealer. This means that if the materials in your watch aren't right or if the watch isn't put together correctly, we'll repair or replace it, at our option. But, this doesn't mean you can abuse your watch and expect us to fix it for free. We don't cover normal wear and tear or batteries*, crystal, watch case, strap, bracelet, loss or theft. You will void your warranty if you open your caseback, push the buttons underwater, or forget to screw down or push in the crown and expose your watch to moisture. Proof of purchase is required for all warranty claims and service requests, so hold onto your receipt. Nixon will not accept a warranty claim or repair request if a watch has evidence of excessive wear or misuse.

NIXON LUGGAGE, PACKS & HANDBAG WARRANTY

Nixon offers a limited lifetime warranty of defects in materials and workmanship for bags purchased from an authorized Nixon dealer. The limited lifetime warranty applies only if bags are used under normal conditions for their design purpose and it doesn't apply to normal wear and tear or damage as a result of improper care or misuse. Nixon is not responsible for loss or theft. If Nixon determines a covered defect, the product will be replaced with the same or similar product at Nixon's option. In no event shall Nixon be liable for any consequential damages arising out of the use of the product. This warranty gives you specific legal rights and you may also have other rights which vary from state to state, country to country.
